CODEUTSAVA 7.0

CODE. INNOVATE. CELEBRATE.

Central India's Largest
Coding Event

ABOUT

The Turing Club of Programmers is the official coding club of NIT Raipur. We help students develop a problem-solving attitude and give them a platform to showcase these skills by providing proper guidance and real-world practice through various activities like online coding rounds, mock interview sessions, and general guidance to help them achieve their dream jobs and internships.

VISION

The Turing Club of Programmers envisions the motto of "Create, Innovate, Celebrate", our club was formed with the vision to enable students to gather technical skills and know-how, and a problem-solving attitude. CodeUtsava takes us one step closer to our goal every year, where we provide students from all colleges over the nation a platform to showcase their skills in solving real-world problems, free technical workshops, and a chance to interact with some of the best people in this domain.
